Integrated Reporting

<IR> is a process founded on integrated thinking that results in periodic integrated report by an organization about value creation over time & related communications regarding aspects of value creation.

An integrated report in a concise communication about how an organization's strategy, governance, performance & prospects, in the context of its external environment, lead to the creation of value in the short, medium & long term.

The IIRC

International Integrated Reporting Council ('the IIRC') is a global not-for-profit organization, incorporated in England and Wales. Company no. 07746254 with its registered office at The Helicon, Third Floor, 1 South Place, London, EC2M 2RB.
