Subject: Re: Attention: DHB Chair and CEO, National Reserve Supply (NRS) stored by DHBs

Dear Sir/Madam,

Open letter to all DHBs on their NRS

I have attached an open letter to all DHBs requesting more information about the inventory of medical items. Under the [National Health Emergency Plan: National Reserve Supplies Management and Usage Policies](#) (p.2), we understand DHBs are responsible for all PPE equipment for hospitals and GPs within your district.

I appreciate everyone is busy at this time, hence we have made it an open letter and will also place it on social media. This is simply to allow for people not being at their office and the normal methods of communication may not work effectively at this time.

Best wishes, Wendy
