Kia ora [REDACTED],

OIA 2021/12: Māui dolphin Research Advisory Group (Māui RAG)

The Institute is currently reviewing the protection of the Hector's dolphin (including the Māui dolphin). I was hoping you might be able to answer the following questions:

Q1: When did the Māui RAG last meet? I note on the website it states March 2018, see <https://www.doc.govt.nz/resources/unpublished-pages/our-work/maui-and-hectors-dolphins/maui-dolphin-research-advisory-group/meetings-and-project-updates/>.

Q2: What has happened since March 2018? Please provide any recent papers, research reports and/or presentations (either forwarded directly by email or updated and made available on the DOC website (the Māui RAG page).

Q3: Can you advise when and where the next meeting is? And whether I would be able to attend?

Thank you in advance,

Wendy McGuinness
