

Life at Orange

At Orange, there will be community transmission of COVID-19, with increasing risks to vulnerable communities, and pressure on the health system. Learn what we all need to do.

How we protect each other

At Orange, people can continue to do everyday activities. There are restrictions to limit the spread of the virus and protect vulnerable people. But you can go to work, school, gyms, church, restaurants, and many more places.

Most businesses can open with no restrictions on numbers if they choose to follow My Vaccine Pass requirements, and only allow people with My Vaccine Pass to enter.

If they choose not to follow My Vaccine Pass requirements, there will be limits on the number of people who can be in a venue at one time.

My Vaccine Pass

You will be legally required to provide your My Vaccine Pass to enter places that have vaccination requirements in place under the traffic lights. This may include hospitality venues, events, gatherings and gyms.

You cannot be asked to provide your My Vaccine Pass to access basic needs services, such as supermarkets, public transport, and essential health care.
