Subject: Re: OIA 2022/03: Number of staff employed (FTE) by MOH

Kia ora Steph,

I am just writing a chapter for an Australian editor, which includes a small section on pandemics.

I would like to be able to compare annual figures of staff located in Wellington (with some early 19 century figures I have found). I found the following table in the [2019 annual report](#) (page 147), but wondered if you could provide more up-to-date figures. I have two questions:

Question 1: Can you provide the number of staff employed (FTE) by MOH in 30 June 2021, by location?

Note: I could not find the table below in the 2020 or 21 annual reports.

Question 2: Can you provide an estimate of staff employed (FTE) by MOH in 30 June 2022, by location?

I hope this is a relatively easy OIA.

Many thanks, Wendy

Figure 1: Staff Location as at 30 June 2019 (from MOH Annual report, p. 147)

Staff location

Our staff (permanent and fixed term) are located through a concentration of numbers in Wellington. Table 6 provides details.

Table 6: Staff location and headcount

Location	Headcount
30 June 2018	
Auckland	57

Hamilton	8
Whanganui	42
Palmerston North	0
Wellington	921
Christchurch	36
Dunedin	63
Total	1,127
