Dear Wendy

Firstly, big apologise for the delay in responding.

Thanks for your email request; the Ministry has a dedicated OIA inbox for requests for information.

That said, here is the link to the publicly available information in our Annual report for 2020/21 which gives you data related to FTE employees below.

We would not be able to provide data for 30 June 2022 as our employee data changes daily as staff join the organisation and exit the organisation and so would not hold that information at this time.

If this is not of any assistance to you , and you wish to formally progress the OIA, then could you please email OIA Requests at [REDACTED]

I hope this helps.

Ngā mihi

Subject: Re: OIA 2022/03: Number of staff employed (FTE) by MOH

Kia ora [REDACTED],

I am just writing a chapter for an Australian editor, which includes a small section on pandemics.

I would like to be able to compare annual figures of staff located in Wellington (with some early 19 century figures I have found). I found the following table in the [2019 annual report](#) (page 147), but wondered if you could provide more up-to-date figures. I have two questions:

Question 1: Can you provide the number of staff employed (FTE) by MOH in 30 June 2021, by location?
Note: I could not find the table below in the 2020 or 21 annual reports.

Question 2: Can you provide an estimate of staff employed (FTE) by MOH in 30 June 2022, by location?

I hope this is a relatively easy OIA.

Many thanks, Wendy

Figure 1: Staff Location as at 30 June 2019 (from MOH Annual report, p. 147)

Staff location

Our staff (permanent and fixed term) are located throughout the country with a concentration of numbers in Wellington. Table 6 provides details of staff location.

Table 6: Staff location and headcount

Location	Headcount 30 June 2018
Auckland	57
Hamilton	8
Whanganui	42
Palmerston North	0
Wellington	921
Christchurch	36
Dunedin	63
Total	1,127
