

# Listen to Radio Pacific Today. For your future's sake.

N.Z. Herald  
17.9.87

Listen to Radio Pacific for an in-depth analysis of the NZ Planning Council's recent study "New Zealand After Nuclear War"

What will life in Aotearoa be like in the aftermath of a Northern Hemisphere Nuclear holocaust? Today, Radio Pacific will simulate the unthinkable event and then for 8 hours Dr Wren Green and other experts will analyse its effect on our country, our lives . . . our future.

Listen for your future's sake.

**8-9am The Event**  
**9-5pm The Aftermath**

**Radio Pacific**  
**1593 AM**  
**The Talk of Auckland**

If you don't hear it first on Pacific, it's because you're not listening Auckland.
