Kia ora,

Our OIA 2023/10: Judicial boundaries in New Zealand

The McGuinness Institute is currently writing our book [Nation Dates Timelines of significant events that have shaped the history of Aotearoa New Zealand \(fifth edition\)](#) and are interested in putting a map of the judicial governance boundaries in the book.

Question 1: Does the judicial system have a geographical jurisdiction? If yes, can you provide a map showing the geographical boundaries? If not, can you please confirm whether the image below is still correct (the image below is from [The World Law Guide website](#) and last updated in 2010)?

Please do not hesitate if you have any questions or points of clarification.

Ngā Mihi,

Eilish
