We are following up on a request I emailed about on the 18th August.

Can you confirm the map of MSD regions (see image below) is correct?

We would really appreciate a quick response.

Thanks,

Eilish

IN-CONFIDENCE

Hi Eilish

Here is power point that illustrates the regions. I'm not 100% which department this comes from.

Before you publish - can you come back to me so I can check it with the relevant team - it may have been updated.

Cheers

Hi [REDACTED]

We will do our best to remove the territorial authorities, but there are four areas where we are not sure what lies underneath.

Can you let us know if little lines exist under the bold lines in all four cases. I would also really appreciate you having a quick review of the final map – just to check we have understood you correctly.

Super thanks, Eilish

Hi [REDACTED]

Yes, that map is helpful thanks!

However, it is difficult to see how many MSD regions there are.

Question: how many MSD regions are there?

Thanks so much,

Eilish

Kia ora,

Our OIA 2023/09: Work and Income regions

The McGuinness Institute is currently writing our book [*Nation Dates: Timelines of significant events that have shaped the history of Aotearoa New Zealand \(fifth edition\)*](#) and are interested in putting a map of the Work and Income governance boundaries in the book.

Question 1: Does the Ministry of Social Development or Work and Income have a geographical jurisdiction or is the system just office based? If the former is the case, do you have a map that you can provide us with?

To show you what we are looking for, I have attached an image below of other governance boundaries.

Please do not hesitate if you have any questions or points of clarification.

Ngā Mihi,

Eilish
