Hi there,

Our initial OIA 2024/09: National Reserve Supplies

Please treat this email as an extension of this OIA.

We formally request a copy of the Review of New Zealand's National Reserve Supply. We understand this report was due to be completed in June 2024.

Please redact all locations from the report. Our interest is in the content of the reserves and the process that is being used to assess what should be included. In our view the content and process is in the public interest (particularly given the shortage of PPE over the pandemic).

Thank you, Wendy
