Subject: Response to your official information act request, ref: H2024045799 CRM:0001773

Tēnā koe Wendy

Thank you for your request under the Official Information Act 1982 (the Act) to the Ministry of Health – Manatū Hauora (the Ministry) on 8 July 2024 for:

“Q1: We note that the latest version of this report on the Medsafe website is the Adverse events following immunisation with COVID-19 vaccines: Safety Report #46 – 30 November 2022 (see here). Can you provide the latest version of this report?”

Q2: If this report has not been updated since 30 November 2022, can you please explain why? Those reading the book COVID-19 Nation Dates will want to have the latest information or at least know why this information is no longer available.”

Information regarding further safety reports have been answered in a previous OIA response which is publicly available here: www.health.govt.nz/system/files/documents/information-release/h2023027666_-_response_letter_redacted.pdf

You can access the information requested by using the Suspected Medicine Adverse Reaction Search (SMARS): www.medsafe.govt.nz/Projects/B1/ADRDisclaimer.asp

Please note that the disclaimer should be read before accessing the data. The SMARS

database is updated once a month (see 'Database updated' date near the top) and does not include reports from the last two months.

We also recommend you read the 'How to search SMARS' page before accessing this information: <https://www.medsafe.govt.nz/Projects/B1/HelpSearch.htm>

I trust this information fulfils your request. If you wish to discuss any aspect of your request with us, including this decision, please feel free to contact the OIA Services Team on: oiagr@health.govt.nz.

Under section 28(3) of the Act, you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: info@ombudsman.parliament.nz or by calling 0800 802 602.

Please note that this response, with your personal details removed, may be published on the Manatū Hauora website at: www.health.govt.nz/about-ministry/information-releases/responses-official-information-act-requests.
