

# Strategy and Metrics and Targets Consultation

## Submissions

Our feedback document, which contains a summary of the submissions received, [has now been published](#).

## Aotearoa New Zealand Climate Standard 1: Climate-related Disclosures (NZ CS 1)

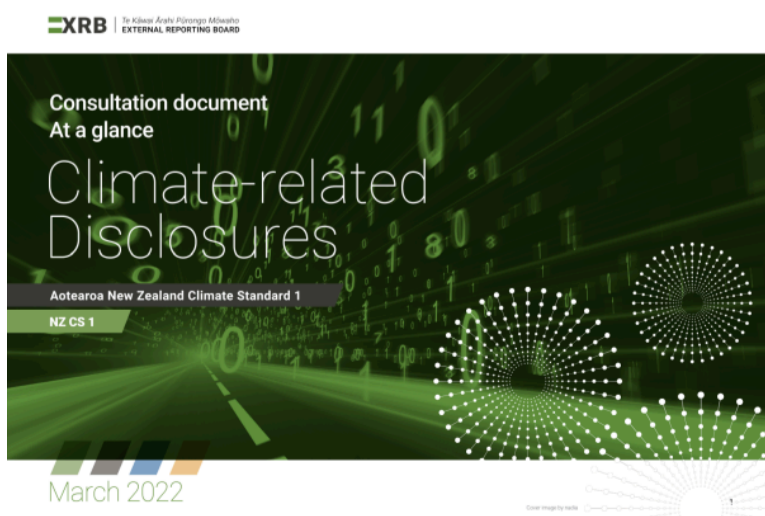

This consultation is now closed.

This consultation document focuses on the proposed Strategy and Metrics and Targets sections, *Aotearoa New Zealand Climate Standard 1: Climate-related Disclosures (NZ CS 1)*.

Download the document [here](#).

## The Consultation Document 'At a Glance'

We have also created a condensed version of the consultation document for those with limited time.

You can download this version [here](#).

## Comparison document

The comparison document provides a detailed comparison between three elements:

- the XRB's proposed Strategy and Metrics and Targets disclosures and defined terms
- the Task Force on Climate-related Financial Disclosures recommendations and guidance
- the Technical Readiness Working Group's Climate Prototype and General Requirements Prototype
