Kia ora,

OIA 2025/23 – Publication date of the OECD COVID-19 Global Evaluation Coalition report

The Institute is in the process of preparing a third edition of COVID-19 Nation Dates. As part of our research, we came across the recently published report *OECD COVID-19 Global Evaluation Coalition: New Zealand's International Development and Humanitarian Response to the COVID-19 Pandemic (2020-2022)* (available on your website [here](#)).

Q1: Can you please provide us with the exact day and month the evaluation report was published?

Please do not hesitate to contact me if you have any questions or points of clarification.

Ngā mihi,

Wendy

PS. As you may have noticed the Institute has sent two separate OIAs to MFAT today. Our understanding is that the questions would be sent to different MFAT teams, and thus it would be easier to treat it as two separate OIAs.
