Kia ora,

Thank you for your response to our OIA. We have two points of further clarification based on your response to our OIA 2026/02 (your Ref H2026079431 CRM:0141216).

1. Could you please send us through the following MOH document or let us know where to find the hard copies? This title was provided in the Appendix of MOH's response to our OIA 2026/02 (attached). We have been unable to find copies of the document online, likely because it says 'On request'.

- Ministry of Health. *Guidance on the Treatment and Care of New Zealanders in an Influenza Pandemic: Clinical pathways*. Wellington: Ministry of Health. On request.

2. Could you please confirm whether the following links provided in response to our OIA 2026/02 are webpages (rather than published documents or reports)?

- Ministry of Health. 2013. *Being Prepared*. URL: [www.health.govt.nz/your-health/healthy-living/emergency-management/being-prepared-pandemic](http://www.health.govt.nz/your-health/healthy-living/emergency-management/being-prepared-pandemic)
- Ministry of Health. 2016. *Pandemic influenza: For the health sector*. URL: [www.health.govt.nz/our-work/emergency-management/pandemic-planning-and-response/pandemic-influenza-guidance-health-sector](http://www.health.govt.nz/our-work/emergency-management/pandemic-planning-and-response/pandemic-influenza-guidance-health-sector)
- Ministry of Health. 2016. *Emergency Management*. URL: [www.health.govt.nz/your-health/healthy-living/emergency-management](http://www.health.govt.nz/your-health/healthy-living/emergency-management)

Please let Arne know if any further clarification is required.

Best wishes,

Wendy McGuinness and Arne Larsen
